

Durham/Chapel Hill/Hillsborough

Wyldlife staff and leaders believe that middle school students are important and valuable. They are making decisions that will influence the rest of their lives. We are committed to building relationships with kids and modeling the attractive, unconditional love of Jesus Christ. Wyldlife is a part of Young Life, a worldwide outreach ministry for teenagers. There is no cost to participate in Wyldlife. In the Durham-Chapel Hill area, Wyldlife is at Culbreth, Phillips, Smith, Durham Academy and Trinity Middle Schools.

Club: Wyldlife club meets every other week on Fridays from 7-8:30pm at the Garrett Farms Clubhouse , 3619 Cottonwood Drive, Durham. Club is controlled chaos that's almost impossible to describe. There are songs, games and skits. Some of our events have fun themes. At the end of each meeting a leader shares a message about God's love for us.

Fall Club Dates:

September 29

October 27

November 17

October 14

November 3

December 1

Campaigners: Wyldlife also has small group Bible studies that we call Campaigners. These are for anyone who is interested in going deeper and growing in their faith. Campaigner groups are split up by school. Look for when and where Campaigners will be meeting in our weekly emails, and on our website.

Camp: February 16-18 we are headed to Wyldlife weekend camp at Windy Gap in North Carolina. We would love for your child to join us for a weekend of fun with their friends and leaders that they won't forget! Windy Gap has many exciting activities including a giant swing, zipline, game room, sand volleyball, basketball, Frisbee golf and a ropes course.

Wyldlife leaders: All of our leaders have completed our leadership training program and application process. All have passed criminal background checks. Most leaders are students at UNC. On average they volunteer 10 hours a week as Wyldlife leaders. You will see them at sporting events, school performances or volunteering in classrooms.

Please don't hesitate to let us know if you have any questions!
